Tentative 2021 Conference Program At-A-Glance

Friday, February 19, 2021 - Pre-Conference Activities

AAFCS Leadership Essentials Virtual Training and Assessment/Certification

***** Limited to the first 50 registrants *****

Description: The Leadership Essentials Assessment/Certification will be at a knowledge and skill level associated with early career employment opportunities and rigorous leadership development programs that prepare individuals for life and career success. These leadership development programs are built upon the approach of helping young people acquire competencies necessary for success and to meet the increasing challenges in today's world.

The content is central to ALL career areas but may be specifically tied to career pathways involving:

- human services;
- non-profit organizations;
- education and training (public and community-based); or
- social and community services.
